[Report No. 117–000]

Making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2023, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JULY _____, 2022

Mrs. Feinstein, from the Committee on Appropriations, reported the following original bill; which was read twice and placed on the calendar

A BILL

Making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2023, and for other purposes.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,
3 That the following sums are appropriated, out of any
money in the Treasury not otherwise appropriated, for en-
ergy and water development and related agencies for the
fiscal year ending September 30, 2023, and for other pur-
poses, namely:

TITLE I
CORPS OF ENGINEERS—CIVIL
DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS—CIVIL

The following appropriations shall be expended under
the direction of the Secretary of the Army and the super-
vision of the Chief of Engineers for authorized civil func-
tions of the Department of the Army pertaining to river
and harbor, flood and storm damage reduction, shore pro-
tection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for
the collection and study of basic information pertaining
to river and harbor, flood and storm damage reduction,
shore protection, aquatic ecosystem restoration, and re-
lated needs; for surveys and detailed studies, and plans
and specifications of proposed river and harbor, flood and
storm damage reduction, shore protection, and aquatic
ecosystem restoration projects, and related efforts prior to
construction; for restudy of authorized projects; and for
miscellaneous investigations, and, when authorized by law,
surveys and detailed studies, and plans and specifications of projects prior to construction, $165,668,000, to remain available until expended: Provided, That the Secretary shall not deviate from the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

CONSTRUCTION

For expenses necessary for the construction of river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related projects authorized by law; for conducting detailed studies, and plans and specifications, of such projects (including those involving participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such detailed studies, and plans and specifications, shall not constitute a commitment of the Government to construction); $2,159,642,000, to remain available until expended; of which $73,892,000, to be derived from the Harbor Maintenance Trust Fund, shall be to cover the Federal share of construction costs for facilities under the Dredged Material Disposal Facilities program; and of which such sums as are necessary to cover 35 percent of the costs of construction, replacement, rehabilitation, and expansion of inland waterways projects shall be derived from the Inland Waterways Trust Fund, except
as otherwise specifically provided for in law: *Provided,*

That the Secretary shall not deviate from the work plan,

once the plan has been submitted to the Committees on

Appropriations of both Houses of Congress.

**MISSISSIPPI RIVER AND TRIBUTARIES**

For expenses necessary for flood damage reduction
projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized by law, $373,075,000, to remain available until expended, of which $10,315,000, to be derived from the Harbor Maintenance Trust Fund, shall be to cover the Federal share of eligible operation and maintenance costs for inland harbors: *Provided,* That the Secretary shall not deviate from the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

**OPERATION AND MAINTENANCE**

For expenses necessary for the operation, maintenance, and care of existing river and harbor, flood and storm damage reduction, aquatic ecosystem restoration, and related projects authorized by law; providing security for infrastructure owned or operated by the Corps, including administrative buildings and laboratories; maintaining harbor channels provided by a State, municipality, or other public agency that serve essential navigation needs.
of general commerce, where authorized by law; surveying
and charting northern and northwestern lakes and con-
necting waters; clearing and straightening channels; and
removing obstructions to navigation, $5,131,605,000, to
remain available until expended, of which $2,233,793,000,
to be derived from the Harbor Maintenance Trust Fund,
shall be to cover the Federal share of eligible operations
and maintenance costs for coastal harbors and channels,
and for inland harbors; of which such sums as become
available from the special account for the Corps of Engi-
neers established by the Land and Water Conservation
Fund Act of 1965 shall be derived from that account for
resource protection, research, interpretation, and mainte-
nance activities related to resource protection in the areas
at which outdoor recreation is available; of which such
sums as become available from fees collected under section
217 of Public Law 104–303 shall be used to cover the
cost of operation and maintenance of the dredged material
disposal facilities for which such fees have been collected;
and of which $56,000,000, to be derived from the general
fund of the Treasury, shall be to carry out subsection (c)
of section 2106 of the Water Resources Reform and Devel-
opment Act of 2014 (33 U.S.C. 2238c) and shall be des-
ignated as being for such purpose pursuant to paragraph
(2)(B) of section 14003 of division B of the Coronavirus
Aid, Relief, and Economic Security Act (Public Law 116–136): Provided, That 1 percent of the total amount of funds provided for each of the programs, projects, or activities funded under this heading shall not be allocated to a field operating activity prior to the beginning of the fourth quarter of the fiscal year and shall be available for use by the Chief of Engineers to fund such emergency activities as the Chief of Engineers determines to be necessary and appropriate, and that the Chief of Engineers shall allocate during the fourth quarter any remaining funds which have not been used for emergency activities proportionally in accordance with the amounts provided for the programs, projects, or activities: Provided further, That the Secretary shall not deviate from the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

REGULATORY PROGRAM

For expenses necessary for administration of laws pertaining to regulation of navigable waters and wetlands, $213,000,000, to remain available until September 30, 2024.

FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

For expenses necessary to clean up contamination from sites in the United States resulting from work per-
7

formed as part of the Nation’s early atomic energy pro-
gram, $450,000,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary to prepare for flood, hurri-
cane, and other natural disasters and support emergency
operations, repairs, and other activities in response to
such disasters as authorized by law, $35,000,000, to re-
main available until expended.

EXPENSES

For expenses necessary for the supervision and gen-
eral administration of the civil works program in the head-
quartes of the Corps of Engineers and the offices of the
Division Engineers; and for costs of management and op-
eration of the Humphreys Engineer Center Support Activ-
ity, the Institute for Water Resources, the United States
Army Engineer Research and Development Center, and
the United States Army Corps of Engineers Finance Cen-
ter allocable to the civil works program, $215,000,000, to
remain available until September 30, 2024, of which not
to exceed $5,000 may be used for official reception and
representation purposes and only during the current fiscal
year: Provided, That no part of any other appropriation
provided in this title shall be available to fund the civil
works activities of the Office of the Chief of Engineers
or the civil works executive direction and management ac-

activities of the division offices: *Provided further*, That any Flood Control and Coastal Emergencies appropriation may be used to fund the supervision and general administration of emergency operations, repairs, and other activities in response to any flood, hurricane, or other natural disaster.

**OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY**

**FOR CIVIL WORKS**

For the Office of the Assistant Secretary of the Army for Civil Works as authorized by 10 U.S.C. 3016(b)(3), $5,000,000, to remain available until September 30, 2024: *Provided*, That not more than 75 percent of such amount may be obligated or expended until the Assistant Secretary submits to the Committees on Appropriations of both Houses of Congress the report required under section 101(d) of this Act and a work plan that allocates at least 95 percent of the additional funding provided under each heading in the explanatory statement accompanying this Act, to specific programs, projects, or activities.

**WATER INFRASTRUCTURE FINANCE AND INNOVATION PROGRAM ACCOUNT**

For administrative expenses to carry out the direct and guaranteed loan programs authorized by the Water Infrastructure Finance and Innovation Act of 2014,
$10,000,000, to remain available until September 30, 2024.

GENERAL PROVISIONS—CORPS OF ENGINEERS—CIVIL (INCLUDING TRANSFER OF FUNDS)

SEC. 101. (a) None of the funds provided in title I of this Act, or provided by previous appropriations Acts to the agencies or entities funded in title I of this Act that remain available for obligation or expenditure in fiscal year 2023, shall be available for obligation or expenditure through a reprogramming of funds that:

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by this Act, unless prior approval is received from the Committees on Appropriations of both Houses of Congress;

(4) proposes to use funds directed for a specific activity for a different purpose, unless prior approval is received from the Committees on Appropriations of both Houses of Congress;

(5) augments or reduces existing programs, projects, or activities in excess of the amounts con-
tained in paragraphs (6) through (10), unless prior approval is received from the Committees on Appropriations of both Houses of Congress;

(6) INVESTIGATIONS.—For a base level over $100,000, reprogramming of 25 percent of the base amount up to a limit of $150,000 per project, study or activity is allowed: Provided, That for a base level less than $100,000, the reprogramming limit is $25,000: Provided further, That up to $25,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;

(7) CONSTRUCTION.—For a base level over $2,000,000, reprogramming of 15 percent of the base amount up to a limit of $3,000,000 per project, study or activity is allowed: Provided, That for a base level less than $2,000,000, the reprogramming limit is $300,000: Provided further, That up to $3,000,000 may be reprogrammed for settled contractor claims, changed conditions, or real estate deficiency judgments: Provided further, That up to $300,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;
(8) OPERATION AND MAINTENANCE.—Unlimited reprogramming authority is granted for the Corps to be able to respond to emergencies: Provided, That the Chief of Engineers shall notify the Committees on Appropriations of both Houses of Congress of these emergency actions as soon thereafter as practicable: Provided further, That for a base level over $1,000,000, reprogramming of 15 percent of the base amount up to a limit of $5,000,000 per project, study, or activity is allowed: Provided further, That for a base level less than $1,000,000, the reprogramming limit is $150,000: Provided further, That $150,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation;

(9) MISSISSIPPI RIVER AND TRIBUTARIES.—The reprogramming guidelines in paragraphs (6), (7), and (8) shall apply to the Investigations, Construction, and Operation and Maintenance portions of the Mississippi River and Tributaries Account, respectively; and

(10) FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM.—Reprogramming of up to 15 percent of the base of the receiving project is permitted.
(b) De Minimus Reprogrammings.—In no case should a reprogramming for less than $50,000 be submitted to the Committees on Appropriations of both Houses of Congress.

(c) Continuing Authorities Program.—Subsection (a)(1) shall not apply to any project or activity funded under the continuing authorities program.

(d) Not later than 60 days after the date of enactment of this Act, the Secretary shall submit a report to the Committees on Appropriations of both Houses of Congress to establish the baseline for application of reprogramming and transfer authorities for the current fiscal year which shall include:

(1) A table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if applicable, and the fiscal year enacted level;

(2) A delineation in the table for each appropriation both by object class and program, project and activity as detailed in the budget appendix for the respective appropriations; and

(3) An identification of items of special congressional interest.
SEC. 102. The Secretary shall allocate funds made available in this Act solely in accordance with the provisions of this Act and the explanatory statement accompanying this Act.

SEC. 103. None of the funds made available in this title may be used to award or modify any contract that commits funds beyond the amounts appropriated for that program, project, or activity that remain unobligated, except that such amounts may include any funds that have been made available through reprogramming pursuant to section 101.

SEC. 104. The Secretary of the Army may transfer to the Fish and Wildlife Service, and the Fish and Wildlife Service may accept and expend, up to $5,400,000 of funds provided in this title under the heading “Operation and Maintenance” to mitigate for fisheries lost due to Corps of Engineers projects.

SEC. 105. None of the funds in this Act shall be used for an open lake placement alternative for dredged material, after evaluating the least costly, environmentally acceptable manner for the disposal or management of dredged material originating from Lake Erie or tributaries thereto, unless it is approved under a State water quality certification pursuant to section 401 of the Federal Water Pollution Control Act (33 U.S.C. 1341): Provided, That
until an open lake placement alternative for dredged material is approved under a State water quality certification, the Corps of Engineers shall continue upland placement of such dredged material consistent with the requirements of section 101 of the Water Resources Development Act of 1986 (33 U.S.C. 2211).

SEC. 106. Additional funding provided in this Act shall be allocated only to projects determined to be eligible by the Chief of Engineers.
TITLE II

DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, $21,000,000, to remain available until expended, of which $5,000,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission: Provided, That of the amount provided under this heading, $1,550,000 shall be available until September 30, 2024, for expenses necessary in carrying out related responsibilities of the Secretary of the Interior: Provided further, That for fiscal year 2023, of the amount made available to the Commission under this Act or any other Act, the Commission may use an amount not to exceed $1,850,000 for administrative expenses.

BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:
WATER AND RELATED RESOURCES

(INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activities, including the operation, maintenance, and rehabilitation of reclamation and other facilities, participation in fulfilling related Federal responsibilities to Native Americans, and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian Tribes, and others, $1,784,900,000, to remain available until expended, of which $71,217,000 shall be available for transfer to the Upper Colorado River Basin Fund and $19,606,000 shall be available for transfer to the Lower Colorado River Basin Development Fund; of which such amounts as may be necessary may be advanced to the Colorado River Dam Fund: Provided, That $100,000 shall be available for transfer into the Aging Infrastructure Account established by section 9603(d)(1) of the Omnibus Public Land Management Act of 2009, as amended (43 U.S.C. 510b(d)(1)): Provided further, That such transfers, except for the transfer authorized by the preceding proviso, may be increased or decreased within the overall appropriation under this heading: Provided further, That of the total appropriated, the amount for program activities that can be financed by the Reclamation
Fund, the Water Storage Enhancement Receipts account established by section 4011(e) of Public Law 114–322, or the Bureau of Reclamation special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: Provided further, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which the funds were contributed: Provided further, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: Provided further, That of the amounts made available under this heading, $10,000,000 shall be deposited in the San Gabriel Basin Restoration Fund established by section 110 of title I of division B of appendix D of Public Law 106–554: Provided further, That of the amounts provided herein, funds may be used for high-priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706: Provided further, That within available funds, $250,000 shall be for grants and financial assistance for educational activities.

CENTRAL VALLEY PROJECT RESTORATION FUND

For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of the Central Valley Project Improvement Act, such sums
as may be collected in fiscal year 2023 in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(c)(3), and 3405(f) of Public Law 102–575, to remain available until expended: Provided, That the Bureau of Reclamation is directed to assess and collect the full amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102–575: Provided further, That none of the funds made available under this heading may be used for the acquisition or leasing of water for in-stream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION

(INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, $33,000,000, to remain available until expended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: Provided, That funds appropriated herein may be used for the Federal share of the costs of CALFED Program management: Provided further, That CALFED implementation shall be carried out
in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.

POLICY AND ADMINISTRATION

For expenses necessary for policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the six regions of the Bureau of Reclamation, to remain available until September 30, 2024, $65,079,000, to be derived from the Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377: Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.

ADMINISTRATIVE PROVISION

Appropriations for the Bureau of Reclamation shall be available for purchase and replacement of motor vehicles and to provide supporting charging or fueling infrastructure.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

Sec. 201. (a) None of the funds provided in title II of this Act for Water and Related Resources, or provided by previous or subsequent appropriations Acts to the agencies or entities funded in title II of this Act for Water and Related Resources that remain available for obligation
or expenditure in fiscal year 2023, shall be available for
obligation or expenditure through a reprogramming of
funds that—

(1) initiates or creates a new program, project,
or activity;

(2) eliminates a program, project, or activity;

(3) increases funds for any program, project, or
activity for which funds have been denied or re-
stricted by this Act, unless prior approval is received
from the Committees on Appropriations of both
Houses of Congress;

(4) restarts or resumes any program, project or
activity for which funds are not provided in this Act,
unless prior approval is received from the Commit-
tees on Appropriations of both Houses of Congress;

(5) transfers funds in excess of the following
limits, unless prior approval is received from the
Committees on Appropriations of both Houses of
Congress:

(A) 15 percent for any program, project or
activity for which $2,000,000 or more is avail-
able at the beginning of the fiscal year; or

(B) $400,000 for any program, project or
activity for which less than $2,000,000 is avail-
able at the beginning of the fiscal year;
(6) transfers more than $500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category, unless prior approval is received from the Committees on Appropriations of both Houses of Congress; or

(7) transfers, where necessary to discharge legal obligations of the Bureau of Reclamation, more than $5,000,000 to provide adequate funds for settled contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments, unless prior approval is received from the Committees on Appropriations of both Houses of Congress.

(b) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

(c) For purposes of this section, the term “transfer” means any movement of funds into or out of a program, project, or activity.

(d) Except as provided in subsections (a) and (b), the amounts made available in this title under the heading “Bureau of Reclamation—Water and Related Resources” shall be expended for the programs, projects, and activities
specified in the “Committee Recommendation” columns in the “Water and Related Resources” table included under the heading “Title II—Department of the Interior” in the explanatory statement accompanying this Act.

(e) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

SEC. 202. (a) None of the funds appropriated or otherwise made available by this Act may be used to determine the final point of discharge for the interceptor drain for the San Luis Unit until development by the Secretary of the Interior and the State of California of a plan, which shall conform to the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters.

(b) The costs of the Kesterson Reservoir Cleanup Program and the costs of the San Joaquin Valley Drainage Program shall be classified by the Secretary of the Interior as reimbursable or nonreimbursable and collected until fully repaid pursuant to the “Cleanup Program—
Alternative Repayment Plan” and the “SJVDP—Alternative Repayment Plan” described in the report entitled “Repayment Report, Kesterson Reservoir Cleanup Program and San Joaquin Valley Drainage Program, February 1995”, prepared by the Department of the Interior, Bureau of Reclamation. Any future obligations of funds by the United States relating to, or providing for, drainage service or drainage studies for the San Luis Unit shall be fully reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

Sec. 203. Section 9504(e) of the Omnibus Public Land Management Act of 2009 (42 U.S.C. 10364(e)) is amended by striking “$750,000,000” and inserting “$820,000,000”.

Sec. 204. (a) Title I of Public Law 108–361 (the CALFED Bay-Delta Authorization Act) (118 Stat. 1681), as amended by section 204 of division D of Public Law 117–103, shall be applied by substituting “2023” for “2022” each place it appears.

(b) Section 103(f)(4)(A) of Public Law 108–361 (the Calfed Bay-Delta Authorization Act) is amended by striking “$25,000,000” and inserting “$30,000,000”.

July 21, 2022 (12:25 p.m.)
SEC. 205. Section 9106(g)(2) of Public Law 111–11 (Omnibus Public Land Management Act of 2009) shall be applied by substituting “2023” for “2022”.

SEC. 206. (a) Section 104(c) of the Reclamation States Emergency Drought Relief Act of 1991 (43 U.S.C. 2214(c)) shall be applied by substituting “2023” for “2022”.

(b) Section 301 of the Reclamation States Emergency Drought Relief Act of 1991 (43 U.S.C. 2241) shall be applied by substituting “2023” for “2022” and by substituting “$130,000,000” for “$120,000,000”.

SEC. 207. Section 529(b)(3) of the Water Resources Development Act of 2000 (Public Law 106–541) as amended, is amended by striking “$30,000,000” and inserting “$40,000,000”.

TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE PROGRAM

INCLUDING RESCISSION OF FUNDS

Such sums as are derived from amounts received from borrowers pursuant to section 1702(b) of the Energy Policy Act of 2005 under this heading in prior Acts, shall be collected in accordance with section 502(7) of the Congressional Budget Act of 1974: Provided, That for necessary administrative expenses of the Title 17 Innovative Technology Loan Guarantee Program, as authorized, $66,206,000 is appropriated, to remain available until September 30, 2024: Provided further, That up to $66,206,000 of fees collected in fiscal year 2023 pursuant to section 1702(h) of the Energy Policy Act of 2005 shall be credited as offsetting collections under this heading and used for necessary administrative expenses in this appropriation and shall remain available until September 30, 2024: Provided further, That to the extent that fees collected in fiscal year 2023 exceed $66,206,000, those excess amounts shall be credited as offsetting collections under this heading and available in future fiscal years only to the extent provided in advance in appropriations Acts: Provided further, That the sum herein appropriated from the general fund shall be reduced (1) as such fees are received during fiscal year 2023 (estimated at $35,000,000)
and (2) to the extent that any remaining general fund appropriations can be derived from fees collected in previous fiscal years that are not otherwise appropriated, so as to result in a final fiscal year 2023 appropriation from the general fund estimated at $0: Provided further, That the Department of Energy shall not subordinate any loan obligation to other financing in violation of section 1702 of the Energy Policy Act of 2005 or subordinate any Guaranteed Obligation to any loan or other debt obligations in violation of section 609.10 of title 10, Code of Federal Regulations.

Of the unobligated balances from amounts made available in the first proviso of section 1425 of the Department of Defense and Full-Year Continuing Appropriations Act, 2011 (Public Law 112–10) for the cost of loan guarantees under section 1703 of the Energy Policy Act of 2005, $150,000,000 are hereby permanently rescinded: Provided, That, subject to section 502 of the Congressional Budget Act of 1974, commitments to guarantee loans for eligible projects under title XVII of the Energy Policy Act of 2005, shall not exceed a total principal amount of $15,000,000,000, to remain available until committed: Provided further, That the amounts provided under this paragraph are in addition to those provided in any other Act: Provided further, That for amounts col-
selected pursuant to section 1702(b)(2) of the Energy Policy Act of 2005, the source of such payment received from borrowers may not be a loan or other debt obligation that is guaranteed by the Federal Government: Provided further, That none of such loan guarantee authority made available under this paragraph shall be available for commitments to guarantee loans for any projects where funds, personnel, or property (tangible or intangible) of any Federal agency, instrumentality, personnel, or affiliated entity are expected be used (directly or indirectly) through acquisitions, contracts, demonstrations, exchanges, grants, incentives, leases, procurements, sales, other transaction authority, or other arrangements, to support the project or to obtain goods or services from the project: Provided further, That the preceding proviso shall not be interpreted as precluding the use of the loan guarantee authority provided under this paragraph for commitments to guarantee loans for: (1) projects as a result of such projects benefitting from otherwise allowable Federal income tax benefits; (2) projects as a result of such projects benefitting from being located on Federal land pursuant to a lease or right-of-way agreement for which all consideration for all uses is: (A) paid exclusively in cash; (B) deposited in the Treasury as offsetting receipts; and (C) equal to the fair market value as determined by the head of the relevant Federal
agency; (3) projects as a result of such projects benefitting from Federal insurance programs, including under section 170 of the Atomic Energy Act of 1954 (42 U.S.C. 2210; commonly known as the ‘‘Price-Anderson Act’’); or (4) electric generation projects using transmission facilities owned or operated by a Federal Power Marketing Administration or the Tennessee Valley Authority that have been authorized, approved, and financed independent of the project receiving the guarantee. Provided further, That none of the loan guarantee authority made available under this paragraph shall be available for any project unless the Director of the Office of Management and Budget has certified in advance in writing that the loan guarantee and the project comply with the provisions under this paragraph.

Advanced Technology Vehicles Manufacturing Loan Program

For Department of Energy administrative expenses necessary in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $9,800,000, to remain available until September 30, 2024.

Tribal Energy Loan Guarantee Program

For Department of Energy administrative expenses necessary in carrying out the Tribal Energy Loan Guarantee Program, $2,000,000, to remain available until Sep-
Provided, That in this fiscal year and subsequent fiscal years, under section 2602(c) of the Energy Policy Act of 1992 (25 U.S.C. 3502(c)), the Secretary of Energy may also provide direct loans, as defined in section 502 of the Congressional Budget Act of 1974 (2 U.S.C. 661a): Provided further, That such direct loans shall be made through the Federal Financing Bank, with the full faith and credit of the United States Government on the principal and interest: Provided further, That any funds previously appropriated for the cost of loan guarantees under section 2602(c) of the Energy Policy Act of 1992 (25 U.S.C. 3502(c)) may also be used, in this fiscal year and subsequent fiscal years, for the cost of direct loans provided under such section of such Act: Provided further, That for the cost of direct loans for the Tribal Energy Loan Guarantee Program as provided for in the preceding three provisos and for the cost of guaranteed loans for such program under section 2602(c) of the Energy Policy Act of 1992 (25 U.S.C. 3502(c)), $8,000,000, to remain available until expended: Provided further, That such costs, including the cost of modifying such loans, shall be as defined in section 502 of the Congressional Budget Act of 1974 (2 U.S.C. 661a).
INDIAN ENERGY POLICY AND PROGRAMS

For operation, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, $6,330,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June 18, 1954 (68 Stat. 255): Provided, That notwithstanding the provisions of that Act and of 31 U.S.C. 3302, up to $6,102,000 collected by the Western Area Power Administration from the sale of power and related services from
the Falcon and Amistad Dams shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the hydroelectric facilities of these Dams and associated Western Area Power Administration activities: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2023 appropriation estimated at not more than $228,000: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred: Provided further, That for fiscal year 2023, the Administrator of the Western Area Power Administration may accept up to $1,598,000 in funds contributed by United States power customers of the Falcon and Amistad Dams for deposit into the Falcon and Amistad Operating and Maintenance Fund, and such funds shall be available for the purpose for which contributed in like manner as if said sums had been specifically appropriated for such purpose: Provided further, That any such funds shall be available without further appropriation and without fiscal year limitation for use by the Commissioner of the United States Section of the International Boundary and Water Commission for the sole purpose of operating, maintain-
ing, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at these Dams in accordance with agreements reached between the Administrator, Commissioner, and the power customers.

**FEDERAL ENERGY REGULATORY COMMISSION**

**SALARIES AND EXPENSES**

For expenses necessary for the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, official reception and representation expenses not to exceed $3,000, and the hire of passenger motor vehicles, $508,400,000, to remain available until expended: Provided, That notwithstanding any other provision of law, not to exceed $508,400,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2023 shall be retained and used for expenses necessary in this account, and shall remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2023 so as to result in a final fiscal year 2023 appropriation from the general fund estimated at not more than $0.
GENERAL PROVISIONS—DEPARTMENT OF ENERGY

SEC. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b)(1) Unless the Secretary of Energy notifies the Committees on Appropriations of both Houses of Congress at least 3 full business days in advance, none of the funds made available in this title may be used to—

(A) make or modify a grant allocation or discretionary grant award totaling $1,000,000 or more;

(B) make or modify a discretionary contract award or Other Transaction Agreement totaling $1,000,000 or more, including a contract covered by the Federal Acquisition Regulation;

(C) issue a letter of intent to make or modify an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B); or
(D) announce publicly the intention to make or modify an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B).

(2) The Secretary of Energy shall submit to the Committees on Appropriations of both Houses of Congress within 15 days of the conclusion of each quarter a report detailing each grant allocation or discretionary grant award totaling less than $1,000,000 provided or modified during the previous quarter.

(3) The notification required by paragraph (1) and the report required by paragraph (2) shall include the recipient of the award, the amount of the award, the fiscal year for which the funds for the award were appropriated, the account and program, project, or activity from which the funds are being drawn, the title of the award, and a brief description of the activity for which the award is made or modified.

(c) The Department of Energy may not, with respect to any program, project, or activity that uses budget authority made available in this title under the heading “Department of Energy—Energy Programs”, enter into a multiyear contract, award a multiyear grant, or enter into a multiyear cooperative agreement unless—
(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or

(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future year budget authority and the Secretary notifies the Committees on Appropriations of both Houses of Congress at least 3 days in advance.

(d) Except as provided in subsections (e), (f), and (g), the amounts made available by this title shall be expended as authorized by law for the programs, projects, and activities specified in the “Committee Recommendations” column in the “Department of Energy” table included under the heading “Title III—Department of Energy” in the explanatory statement accompanying this Act.

(e) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify, and obtain the prior approval of, the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program, project, or activity funding level to increase or decrease by more than $5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.
(f) None of the funds provided in this title shall be available for obligation or expenditure through a re-programming of funds that—

(1) creates, initiates, or eliminates a program, project, or activity;

(2) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(3) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(g)(1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Secretary of Energy shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver.
(h) The unexpended balances of prior appropriations provided for activities in this Act may be available to the same appropriation accounts for such activities established pursuant to this title. Available balances may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.

SEC. 302. Funds appropriated by this or any other Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 3094) during fiscal year 2023 until the enactment of the Intelligence Authorization Act for fiscal year 2023.

SEC. 303. None of the funds made available in this title shall be used for the construction of facilities classified as high-hazard nuclear facilities under 10 CFR Part 830 unless independent oversight is conducted by the Office of Enterprise Assessments to ensure the project is in compliance with nuclear safety requirements.

SEC. 304. None of the funds made available in this title may be used to approve critical decision-2 or critical decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds...
$100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

SEC. 305. No funds shall be transferred directly from “Department of Energy—Power Marketing Administration—Colorado River Basins Power Marketing Fund, Western Area Power Administration” to the general fund of the Treasury in the current fiscal year.

SEC. 306. (a) Hereafter, for energy development, demonstration, and deployment programs funded under Department of Energy appropriations (other than those for the National Nuclear Security Administration and Office of Environmental Management) provided for fiscal year 2022, the current fiscal year, or any fiscal year thereafter (including by Acts other than appropriations Acts), the Secretary may vest unconditional title or other property interests acquired under projects in an award recipient, subrecipient, or successor in interest, including the United States, at the conclusion of the award period for projects receiving an initial award in fiscal year 2022 or later.

(b) Upon vesting unconditional title pursuant to subsection (a) in an award recipient, subrecipient, or successor in interest other than the United States, the United
States shall have no liabilities or obligations to the property.

(c) For purposes of this section, the term “property interest” does not include any interest in intellectual property developed using funding provided under a project.

SEC. 307. All unavailable collections currently in the United States Enrichment Corporation Fund shall be transferred to and merged with the Uranium Enrichment Decontamination and Decommissioning Fund and shall be available only to the extent provided in advance in appropriations Acts.

SEC. 308. None of the funds made available in this title may be used to support a grant allocation award, discretionary grant award, or cooperative agreement that exceeds $100,000,000 in Federal funding unless the project is carried out through internal independent project management procedures.

SEC. 309. Subparagraphs (B) and (C) of section 40401(a)(2) of Public Law 117–58, paragraph (3) of section 16512(r) of title 42, United States Code, and section (l) of section 17013 of title 42, United States Code, shall not apply for fiscal year 2023.

SEC. 310. (a) DEFINITIONS.—In this section:

(1) AFFECTED INDIAN TRIBE.—The term “affected Indian tribe” has the meaning given the term

(2) **HIGH-LEVEL RADIOACTIVE WASTE.**—The term “high-level radioactive waste” has the meaning given the term in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101).

(3) **NUCLEAR WASTE FUND.**—The term “Nuclear Waste Fund” means the Nuclear Waste Fund established under section 302(c) of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10222(c)).

(4) **SECRETARY.**—The term “Secretary” means the Secretary of Energy.

(5) **SPENT NUCLEAR FUEL.**—The term “spent nuclear fuel” has the meaning given the term in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101).

(b) **PILOT PROGRAM.**—Notwithstanding any provision of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101 et seq.), the Secretary is authorized, in the current fiscal year and subsequent fiscal years, to conduct a pilot program to license, construct, and operate one or more Federal consolidated storage facilities to provide interim storage as needed for spent nuclear fuel and high-level radioactive waste, with priority for storage given to spent
nuclear fuel located on sites without an operating nuclear reactor.

(c) REQUESTS FOR PROPOSALS.—Not later than 120 days after the date of enactment of this Act, the Secretary shall issue a request for proposals for cooperative agreements—

(1) to obtain any license necessary from the Nuclear Regulatory Commission for the construction of one or more consolidated storage facilities;

(2) to demonstrate the safe transportation of spent nuclear fuel and high-level radioactive waste, as applicable; and

(3) to demonstrate the safe storage of spent nuclear fuel and high-level radioactive waste, as applicable, at the one or more consolidated storage facilities pending the construction and operation of deep geologic disposal capacity for the permanent disposal of the spent nuclear fuel.

(d) CONSENT-BASED APPROVAL.—Prior to siting a consolidated storage facility pursuant to this section, the Secretary shall enter into an agreement to host the facility with—

(1) the Governor of the State;
(2) each unit of local government within the jurisdiction of which the facility is proposed to be located; and

(3) each affected Indian tribe.

(c) Applicability.—In executing this section, the Secretary shall comply with—

(1) all licensing requirements and regulations of the Nuclear Regulatory Commission; and

(2) all other applicable laws (including regulations).

(f) Pilot Program Plan.—Not later than 120 days after the date on which the Secretary issues the request for proposals under subsection (c), the Secretary shall submit to Congress a plan to carry out this section that includes—

(1) an estimate of the cost of licensing, constructing, and operating a consolidated storage facility, including the transportation costs, on an annual basis, over the expected lifetime of the facility;

(2) a schedule for—

(A) obtaining any license necessary to construct and operate a consolidated storage facility from the Nuclear Regulatory Commission;

(B) constructing the facility;
(C) transporting spent fuel to the facility;

and

(D) removing the spent fuel and decommissioning the facility;

(3) an estimate of the cost of any financial assistance, compensation, or incentives proposed to be paid to the host State, Indian tribe, or local government;

(4) an estimate of any future reductions in the damages expected to be paid by the United States for the delay of the Department of Energy in accepting spent fuel expected to result from the pilot program;

(5) recommendations for any additional legislation needed to authorize and implement the pilot program; and

(6) recommendations for a mechanism to ensure that any spent nuclear fuel or high-level radioactive waste stored at a consolidated storage facility pursuant to this section shall move to deep geologic disposal capacity, following a consent-based approval process for that deep geologic disposal capacity consistent with subsection (d), within a reasonable time after the issuance of a license to construct and operate the consolidated storage facility.
(g) Public Participation.—Prior to choosing a site for the construction of a consolidated storage facility under this section, the Secretary shall conduct one or more public hearings in the vicinity of each potential site and in at least one other location within the State in which the site is located to solicit public comments and recommendations.

(h) Use of Nuclear Waste Fund.—The Secretary may make expenditures from the Nuclear Waste Fund to carry out this section, subject to appropriations.

GENERAL PROVISIONS—INDEPENDENT AGENCIES

SEC. 401. The Nuclear Regulatory Commission shall comply with the July 5, 2011, version of Chapter VI of its Internal Commission Procedures when responding to Congressional requests for information, consistent with Department of Justice guidance for all Federal agencies.

SEC. 402. (a) The amounts made available by this title for the Nuclear Regulatory Commission may be reprogrammed for any program, project, or activity, and the Commission shall notify the Committees on Appropria-
tions of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program funding level to increase or decrease by more than $500,000 or 10 percent, whichever is less, during the time period covered by this Act.

(b)(1) The Nuclear Regulatory Commission may waive the notification requirement in subsection (a) if compliance with such requirement would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Nuclear Regulatory Commission shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver and shall provide a detailed report to the Committees of such waiver and changes to funding levels to programs, projects, or activities.

(c) Except as provided in subsections (a), (b), and (d), the amounts made available by this title for “Nuclear Regulatory Commission—Salaries and Expenses” shall be expended as directed in the explanatory statement accompanying this Act.
(d) None of the funds provided for the Nuclear Regulatory Commission shall be available for obligation or expenditure through a reprogramming of funds that increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act.

(e) The Commission shall provide a monthly report to the Committees on Appropriations of both Houses of Congress, which includes the following for each program, project, or activity, including any prior year appropriations—

(1) total budget authority;

(2) total unobligated balances; and

(3) total unliquidated obligations.
TITLE V

GENERAL PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

SEC. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

SEC. 502. (a) None of the funds made available in title III of this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the explanatory statement accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(b) None of the funds made available for any department, agency, or instrumentality of the United States Government may be transferred to accounts funded in title III of this Act, except pursuant to a transfer made by or transfer authority provided in this Act or any other appro-
priations Act for any fiscal year, transfer authority referenced in the explanatory statement accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(c) The head of any relevant department or agency funded in this Act utilizing any transfer authority shall submit to the Committees on Appropriations of both Houses of Congress a semiannual report detailing the transfer authorities, except for any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality, used in the previous 6 months and in the year-to-date. This report shall include the amounts transferred and the purposes for which they were transferred, and shall not replace or modify existing notification requirements for each authority.

SEC. 503. None of the funds made available by this Act may be used in contravention of Executive Order No. 12898 of February 11, 1994 (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations).
SEC. 504. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, Tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

This Act may be cited as the “Energy and Water Development and Related Agencies Appropriations Act, 2023”.
