

STATE, FOREIGN OPERATIONS, AND RELATED PROGRAMS, 2021

*\$55.505 billion total discretionary funding
(\$47.505 billion base non-defense / \$8.000 billion OCO)*

BILL HIGHLIGHTS

- **Protects Life** — The bill maintains current law policy and funding levels for family planning activities and continues support for important policy provisions to ensure respect for life around the globe, including the Mexico City Policy, the Helms amendment, and the Kemp-Kasten amendment.
- **Countering Chinese Influence Fund** — \$300 million to combat malign Chinese influence and promote transparency and accountability in projects associated with the People's Republic of China's debt-trap diplomacy and the Belt and Road Initiative.
- **Countering Russian Influence Fund** — \$290 million to counter Russian influence and its attempts to sow distrust in democratic institutions worldwide.
- **Supports Key Allies** —
 - Israel - \$3.3 billion in military assistance for Israel and \$5 million for refugee resettlement in Israel
 - Jordan - \$1.65 billion in economic and military assistance for Jordan
 - Ukraine - \$453 million in economic and military assistance for Ukraine
- **Department of State and USAID Operations** — \$12.5 billion for State and USAID operations, including \$6.1 billion to strengthen embassy security and ensure the safety of U.S. diplomats and development specialists.
- **International Security Assistance** — \$9 billion for critical assistance for foreign military training and education programs, peacekeeping operations, counterterrorism and nonproliferation programs, and financing for military equipment for U.S. partners and allies.
- **Global Health Programs** — \$9.2 billion to bolster global health and prevent future pandemics, an increase of \$103.5 million above the FY20 enacted level. Of this total, \$3.3 billion is for USAID health programs and \$5.9 billion is for the Department of State.
- **U.S. Development Finance Corporation (DFC)** — \$571 million in support of the DFC's work to engage the private sector related to development needs in strategically important regions globally, an increase of \$270 million over the FY20 enacted level.
- **Democracy Programs** — \$2.4 billion for democracy programs, an increase of \$17 million above FY20 enacted level.
- **Migration and Refugee Assistance** — \$3.4 billion to maintain the long-held U.S. commitment to protection and addressing the needs of refugees impacted by conflict and other natural and manmade disasters.
